

MT LYFORD SNOW RESORT @ LEVEL 2

WE ARE OPEN

- Please if you are unwell or have flu like symptoms, please stay at home.
- Upon arrival please sign in with the Covid Tracer app or sign the guest register at the ticket Office. **(download the app before arriving)**
- Maintaining Social and physical distancing of 2m will be required on the mountain from those not in your family or friends bubble. Starting from the carpark, day facilities, ticket office to the lift loading areas and slopes.
- Ski and Ride in your bubble.
Spacing of 2m will in place while waiting to load all lifts.
The Cloudy T-Bar can be loaded in pairs if you are skiing or riding in your bubble/family group, otherwise the T's will be loaded as singles.
- As always and in perfect Mt Lyford style your car will need to be your base for the day for rests/snacks/lunch and BBQ's. With the size of our day lodge, café, hire and toilets customer numbers in these areas will be restricted to allow physical distancing.
- We appreciate everyone's understanding and the responsibility we all have in maintaining physical distancing while enjoying our little piece of snowy mountain paradise.

Thank you, the Mt Lyford Crew,
